Screen Door Pull Handle
SKU: 97076

The screen door pull handle is designed to provide both aesthetic appeal and durability, these pull handles are perfect for a wide range of applications, especially screen doors. Its sleek design and ergonomic shape make it a practical and stylish choice for modern workplaces. Crafted from high-quality steel, our pull handle offers exceptional strength and durability, ensuring long-lasting performance even with regular use. The ergonomic shape of the handle ensures a comfortable grip, making it easy to open and close drawers and doors without straining your hand.

Specs:
